

SAPPHIRE® Seating

Level One

The Sapphire Task Chair offers a blend of comfort, appearance and function needed for any workplace environment. With Sapphire's models and options, you can find the fit for any individual's task.

Sapphire's wide seat and back supports and wraps around users. The waterfall seat increases comfort and allows for unrestricted circulation.

Sapphire Level One is equipped with a swivel seat, seat-height adjustment and a back-depth adjustment. Choose from an armless chair, fixed cantilever T-arms or fully adjustable T-arms that adjust vertically and horizontally. Arms can be specified as poly or as a contoured padded urethane option.

Sapphire models are available in black only.

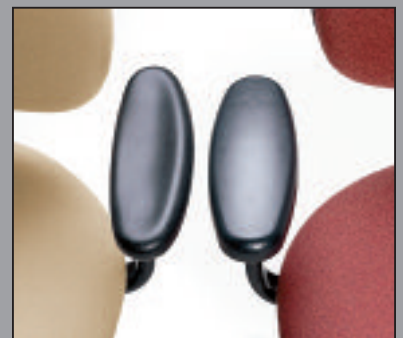

Fully adjustable t-arms can be adjusted horizontally or vertically to fit a variety of users' needs.

Fixed cantilever arms are stylish and comfortable.

Arms adjust vertically to provide personalized comfort for a variety of users.

Enjoy the cushioned support of the urethane arm pad (left), or the classic look of the poly arm pad (right).

SAPPHIRE® Seating

Level Three

Sapphire Task Seating is an all-around seating choice for all office settings—small, medium or large. This task chair offers a pneumatic gas lift for easy seat height adjustment. Sapphire's contoured seat and back provide necessary ergonomic comfort.

Sapphire Level Three has more adjustment features than Level One. Level Three is equipped with a swivel seat, seat-height adjustment, back-height

adjustment, plus a back-angle adjustment for further personalized comfort.

The same arm options apply. Choose from an armless chair, fixed cantilever T-arms or fully adjustable T-arms that adjust vertically and horizontally. Arms can be specified as poly or as a contoured padded urethane option.

Sapphire models are available in black only.

Seat height adjustment is available on both levels of the Sapphire Task Chair. It allows the user the option of adjusting the seat height for maximum comfort.

Back height adjustment is available on Sapphire Level 3.

Back angle articulation adjustment is available on the Sapphire Level 3.

Our durable five-star base is equipped with 50mm dual casters wheels.
